SKILLS

Communication
(listen, respect, empathy, clarity)

Teamwork

Flexibility

Responsibility

Able to work long hours and
under pressure

Python, C Programming

Project Management

Attention to details

Hello, I'M PATRICIA WONG

I am currently a third-year student in the Computer Science with Artificial Intelligence Program at University of Nottingham Ningbo China.

One of my goals before graduation is to develop a healthcare project that combines AI and empathy and building a project like this is not going to happen overnight. I am committed.
